

SLSBMB

Global B2B Tech Sales Platform

Our clients

Yay! You just met the most experienced IT bizdev team out there ;)

... and 200+ of others (we love them all)

“Guys from SLSBMB stunned me. It seems like B2B sales never been so impressive! What they do is like art and magic combined”.

Alex Laryanovskiy, Founder @Skyeng

“SLSBMB made a huge difference. They changed our mind about both sales and outsourcing. This investment gave us unbelievable ROI worth millions of dollars”.

Vic Vaughan, CEO @Cointelegraph

“I’ve asked smart city deals, they closed New York State. I’ve asked angel \$3m round, they closed ancestors of Waze, Tesla, Apple. They are aliens, and talented motherfuckers too.”

Eugen Nikolskiy, Founder @Road.ly

27%

Average response rate per 100 cold prospects

How?

1. Smartest managers from top tier companies and startups
2. No automated nonsense, only handmade custom touches
3. Quality check of every sales action
4. Hardcore “every month could be the last” motivation
5. Best payouts on the market. Our people earn several times more than classic employee, while remaining flexibility of free people.
6. Managerial inventions we are proud of

Price

\$15000/month +15% gross*/our contracts 1st year

Included:

Two sales PROs
Q/A manager
Team manager

1200 sales actions (enough to make u proceed)**
Transparency tools (you'll see a content of every sales action)
Live chat
Reporting

The rest you'll learn in touch with us

*Negotiable as models vary

** Avg salesperson in the US makes 300 actions per month
We do 600. If a salesrep costs you 6k/month, we charge twice
cheaper respecting the actual job done per buck.

In most taken cases we will be obviously cheaper than 17% in
BD Units in two-four months periods, and in all cases a way
cheaper than affiliate relationships/resellers

No one can beat us in fair conditions

Who we are:

We live in London
We help TECH projects all over the world
We love sales
We know sales
